The FIITJEE Journey

FIITJEE was created in 1992 by the vision and toil of Mr D. K. Goel, a Mechanical Engineering Graduate from IIT, Delhi. We had a very humble beginning as a forum for IIT-JEE with a vision to provide an ideal launch pad for serious JEE aspirants. Along the way to the realisation of this vision, we went beyond merely coaching for IIT-JEE. We actually started to make a difference in the way Students think and approach problems.

We started to develop ways to enhance Students' IQ. We started to leave an indelible mark on the Students who have undergone **FIITJEE** training. We started changing lives. And all of this was not a sheer coincidence. It was the urge, the compelling desire, to always aspire for perfection and in the process, continuously keep on setting newer benchmarks of excellence, which enabled us and our Students to achieve what we have achieved. Today, aiming for the unachievable and continuously raising the bar has become a part of the **FIITJEE** DNA.

**गुरुः ब्रह्मा गुरुः विष्णु, गुरुः देवो महेश्वरा ।
गुरुः साक्षात् परब्रह्मा, तस्मै श्री गुरुवे नमः ॥**

*Salutations to that guru, who is the Creator, Sustainer,
and Destroyer and who indeed is the limitless Brahman.*

The Success of our Students was inspiring and so was their faith in **FITJEE**. It was this faith that was a catalyst for our venturing into areas beyond IIT-JEE. It was this faith that prompted us to embark on a mission to provide **Wholesome School Education** to Students through **FITJEE Integrated School Programs** like **SUPREME & PINNACLE**, in a way, so that there was no need for any type of coaching outside the School System. In addition to the launch of **FITJEE Junior Colleges in Hyderabad, Vijayawada, Visakhapatnam and FITJEE Global Schools in Chennai & Vellore**, many like-minded Schools across the Country joined hands with us in this Student-centric endeavour to create Ideal School Education platform for Students to get admission in IITs without stress & tension along with huge success in Olympiads, SAT-I & SAT-II. And, it was this faith only that again enabled us to create a landmark success in NTSE. The launch of **FITJEE World Schools at Hyderabad** was a concentrated effort in that direction, where Students are being trained for the best in the world through methodologies and practices that are truly world class.

"This Journey from just an IIT-JEE Coaching Institute to the most powerful brand in serious education has been exhilarating. However, the Journey is not over yet.

For us, at **FITJEE**, The Journey will never be over. For us, this Journey itself is the destination."

Mr. D. K. Goel

(Founder, Chairman and Chief Mentor)

**अखण्डमण्डलाकारं व्याप्तं येन चराचरम् ।
तत्पदं दर्शितं येन तस्मै श्रीगुरुवे नमः ॥**

Salutations are to that guru who showed me the abode the one who is to be known whose form is the entire universe and by.

**A Legacy of Ethics emanating
from the Greatest Beacon**

Mr. D. K. Goel is the visionary founder of **FIITJEE**, one of India's most prestigious institutes for engineering entrance exam preparations. An alumnus of **IIT-Delhi (Mechanical)**, he established the institute with the mission of providing quality education and systematic guidance to IIT-aspirants.

From the Desk of Chairman

Every moment in life is a fresh beginning that brings with it, the boundless joy of new possibilities. And the pleasure is compounded when you know that you are about to realise a lofty goal.

Since the time we began in 1992, we have constantly stride for excellence. Like for the many young minds, we have shaped, it is the winning spirit that has been of the sales essence. Even quintessential, if you look at it from our perspective. And winning is possible only when one has the power to perceive the need of the hour.

FIITJEE has always been Innovative to create excellence. I am sure the varied services that we offer to our existing and aspiring students will be a great boon. Today, **FIITJEE**, the first 'corporatised' Institute for IITJEE and other engineering entrance exams, training, enjoys a track record of unparalleled results.

Needless to say, endeavour to Nurture, and even further enrich, the quality of education will be our constant feature. As for the rest, there will always be changes. Undoubtly, for the better. Wishing the very best.

D. K. Goel

Founder, Chairman, & Chief Mentor

FIITJEE Group

Mr. Uday Pratap Singh is a **B.Tech- Civil from IIT Delhi** (1992 batch). He chose the profession of mentoring students since 1992. During last 34 years of his mentorship, he has trained thousands of students for IIT-JEE successfully. He is a great educationist and entrepreneur. He has a rich experience of creating brands and managing educational institutes.

From the Desk of Promotor

FITJEE Dwarka academia- where ambition is refined through mentorship, potential is transformed through perseverance, and aspirations are realised through accomplishments.

At **FITJEE** Dwarka, we are guided by an unwavering commitment to academic excellence, intellectual discipline, and holistic student development. We firmly believe that meaningful success is the outcome of sustained efforts, strategic mentorship, and a purpose-driven cognitive environment. Rooted in the distinguished erudition and proven pedagogical framework of **FITJEE**, our center endeavours to provide a comprehensive, integrated and intellectually enriching ecosystem for aspiring learners. Our structured programs, accomplished, faculty, and continuous evaluation mechanisms are meticulously designed to cultivate conceptual clarity, analytical reasoning, and competitive proficiency.

We recognise that education transcends examination performance. It is an ageless transformative process that Nurtures confidence, resilience, and lifelong curiosity - ensuring both professional and personal acme. Together, let us build a robust cornerstone for enduring salient success galore.

U.P. Singh

(Chairman- **FITJEE** Dwarka)

Mr. Swaraj Verma is B.Tech (Electronics) from IIT Dhanbad.

After having an initial career in software industry for some years, he switched to teaching industry due to his passion for physics. He is associated with **FIITJEE** Dwarka since since 2011, and has been teaching physics for IITs and International Physics Olympiads. He has produced thousands of IITians in Dwarka territory over all these years, with various top rankers of India. He has also represented **FIITJEE** in various seminars across India., and has transformed the academic potential of numerous students across the country.

From Desk of Managing Partner

FIITJEE Dwarka has been an institution of national importance, due to the fact it has not just been producing top ranks, but also ranks in every spectrum. Needless to say that we have produced thousands of IITians and many more engineers in engineering colleges from the Dwarka territory. **FIITJEE** Dwarka is the only institution in entire India, which has produced **AIR 2 in JEE Advanced and AIR 1 in JEE Main** in past. There has been numerous ranks within top AIR 100 in JEE Advanced over the years. **FIITJEE** Dwarka holds around **30% selections in JEE Advanced** (which is quite high as compared to national average of 2%), and around **70% selections in JEE Main** (which is quite high as compared to national average of 15%)- phenomenal. Hardly, any institution in the same domain across the country holds such records.

We intend to make this ratio to 100% in both segments- quite possible mathematically. Even the students, who don't make up to IITs or NITs, enter into good reputed institutions by the virtue of transformative learning which they pursue at **FIITJEE** Dwarka. The **FIITJEE** pedagogy has been such that it has transformed various students unravel their true potential, and transform them to much advanced version of themselves. The knowledge and the pressure handling situations which they learn here not only help them a lot in their future careers... but also in becoming better individuals to serve the society and the mankind.

Swaraj Verma

(Managing Partner, Professor

& HOD Physics- **FIITJEE Dwarka)**

About **FIITJEE** Dwarka centre

FIITJEE was created in 1992 by the vision and hard work of **Mr. D. K. Goel**. We had a very humble beginning as a forum for IITJEE, with a vision to provide an ideal launchpad for serious JEE aspirants. "Nothing less than excellence" is the wisdom of **FIITJEE** Dwarka that revivifies us to pen down new stories of triumph every year. It is a very tested formula that has brought spellbound results for us over the years. This philosophy is reflected in our work culture. Every day-from the way we mentor our students to the success history we have been continuing to re-create from time to time.

Why joining **FIITJEE** Dwarka proves to be an all time fair and proud decision?

- Highly qualified and trained faculties
- Transparency in system's working
- Exemplary administration
- Healthy competitive environment
- Congruous study material and up to date test series
- Amalgamated teaching approach to touch excellence in all the academic spheres
- Robust test taking system with proper feedbacks sent to parents via SMS & e-mails
- Regular goal setting sessions
- Individualised track record maintenance of every student
- Doubt clearing sessions
- Motivational sessions
- Overall personality development workshops
- Daily attendance monitoring as well as regular follow-ups for absentees

• To create World's Best Institution that serves the society for thousands of years-maybe perennially. To make India global leader in education, both not for profit as well as well as for profit ventures.

• Keeping our mission in mind, we will establish a transformational leadership position in each of our projects across the globe. We will become a **Comprehensive Global Leader in Education by 2030**.

OUR *Pedagogy*

Our Distinct Pedagogy certify Outstanding Results

The commencement of superlative results of any exam lies in the holistic preparation that involves the teaching methodology as well as the discrete hard work of the students. Every student strains his/her nerve, but doesn't outshine or make it to the top. So what makes them top performers is pointed pattern as well as result oriented teaching methodology. The hard work done by the students multiplies many times when they seek inside from **FITJEE**. Even every students, on and after joining **FITJEE**, have come up as toppers capturing top most rank in various top national level competitive exams. The pattern proof methodology involves topic wise strategic guidance and scrupulously design study material that enriches the students to make it to the top. **FITJEE** has been teaching in a comprehensive manner so that the students do well in JEE Main and Advanced (irrespective of the pattern), boards, NTSE, Olympiads, and other competitive examinations. The central idea behind teaching is to make the essentials of the students crystal clear, enabling them to think beyond conventionalised model. And unsegregated teaching action plan is employed to prepare the students for competitive as well as board exams in one go.

Classroom lectures as Catalyst

Lectures delivered are affluent in content well documented and are concluded in the defined time frame as time management plays a determining role in engineering entrance exams. If the finite time available is not used prudently, the aggregate of preparation comes to nought. In addition, our proven professional team keep on tracking down unhackneyed scientific strategies of teaching to make an easy job for the students for cracking and excelling national level entrance exams.

CPPs- A regular practice scheme towards Conceptual Clarity

On each chapter students are being provided with CPPs (chapter practice problems) which is mandatory for them to attempt and submit before the beginning of next after. Answers to the questions are then checked and discussed by the respective faculty along with the remarks and suggestions.

Multiple Tests to ensure Success

Weekly/ Fortnightly tests:

These tests are meant to furnish the student so that they continue their stride with content coverage, and also keep identifying their areas of improvements. During the test, the teachers do not intervene in the ongoing conceptual flow of students. Exceptional underlining is given on out of the box thinking that helps improve students' Intelligence Quotient (IQ).

Phase tests:

This test is a full length regular test for all **FITJEE** centres. This is conducted to give students practical encounter of the real time test environment with all India after completion of every phase of the curriculum ranking so that they find themselves able to assess their real proficiency level. This test has been contributory in improving the performance of the students, thereby enhancing their scores in the actual examination.

All India Internal Test Series (AI²TS)

A bouquet of tests to assess and plug loop holes connected throughout the span of academic year.

Importance of Computer based All India Test Series (AITS)

Preparing well for JEE Main and JEE Advanced is one thing and transforming the knowledge and skills into success on the JEE day is another. Many students are not able to adopt the right approach and proper examination temperament, as they do not have the right feedback on their preparation. If you fail in JEE Main & JEE Advanced, it is a permanent loss, which is irreparable, and mistakes committed incorrigible. Test series will teach you on how not to fail. It is an opportunity for you to ensure that you convert your skills into success on JEE day. Level of difficulty in the tests is changed strategically to prepare the students for all types of papers-very difficult to relatively easy ones. It has been observed that JEE papers have been coming up with different kind of content, one or the other subjects in terms of level of difficulty, and style of the paper. **FITJEE** series (with test analysis) will ensure you do not suffer any setback due to this fluctuating trends. The quality of a test papers is evident from the fact that many questions of IITJEE from 1995 to 2025, are either identical or similar to questions, which were part of **FITJEE** AITS.

Concept Strengthening Classroom Program (CSCP)

Test series is followed by a concept strengthening and test analysis cum doubt removal program in each concept of all subjects, conducted by expert **FITJEE** faculty members. The key points of this program will be as follows:

- ✓ Subject discussion of each paper with emphasis on several ways of attempting a question, wherever possible.
- ✓ How to improve strike rate, and how to overcome the mistakes that a student often makes during the exam will also be discussed.
- ✓ Strategy to attempt the paper of varied levels or patterns.
- ✓ Eliminating conceptual doubts and plugging the loop holes related to the papers.
- ✓ Strategies for time management during the preparation, and on the day of the exam.

Rank Potential Index (RPI)/ Success Potential Index (SPI)

We are the only Institute in India having the capability to predict RPI/ SPI of a student. We constantly encourage our students to emulate their RPI/ SPI.

SUPPORT & MONITORING SYSTEM

Parent Orientation
Program (POP)
Stay Informed, Stay Connected

Student Orientation
Program (SOP)

The Science of Success
Student Seminar

Goal Setting
Meeting

In a student's journey towards his/her GOAL, parents play a pivotal role. Most often they are equal stakeholders along with their child and **FITJEE**. Hence, we believe that parents are required to understand the nuances of the preparatory phase so that they are able to add value for best outcome. POP is an initiative by **FITJEE** Dwarka centre wherein parents of newly enrolled students in each class are walked through the entire period of preparatory phase with a clear direction in which they are expected to act as an anchor so that the child gets benefits out of it.

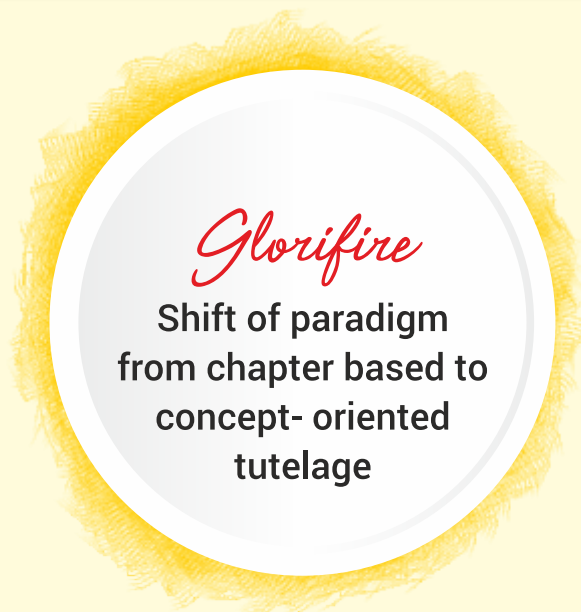

The general perception amongst students is that success in a competitive exam is a function of focussed study, hardwork, and dedication. Quite often students fail to foresee the importance of systematic and process driven approach in studies, environmental, circumstantial changes that occur during preparation phase which largely impact their performance, time management, & maintaining balance between school vs preparation. SOP is an initiative by **FITJEE** Dwarka centre wherein newly enrolled students in each class are walked through the entire period of preparatory phase with a clear directive in terms of 'Do's & Don't's' following which success is inevitable.

To be successful in career, only hardworking is essential, is a general perception. Most often it has been found that success is a function of certain strategies which when implemented, will eventually lead to success. Now, what does this mean? There are certain skills, for example, how to deal with challenges or how to deal with setbacks-knowing the way out is just the right recipe to achieve success. The science of success seminars aim at equipping the students with all right skills which lead to success.

This is a mechanism by which teachers and parents of a student in a class get to interact with each other at regular intervals and thus, are able to exchange important ideas, thoughts, and feedback on individual child's progress. This is also a platform wherein a child's strength and weaknesses are discussed, deliberative, and corrective action plan is chalked out so that at the end, the child is able to perform at the optimal level.

Classroom Program *at a Glance*

Class	Programs available at FIITJEE Dwarka Centre
VI	Little Genie- One Year Foundation program
VII	UDAYA- Two Year Classroom program
VIII	UDAYA- One Year Classroom program
IX	Four Year Classroom program, & Supreme- Four Year Integrated School program
X	Three Year Classroom program
XI	Two Year Classroom program, & Pinnacle- Two Year Integrated School program
XII	One Year Classroom program
XII Pass	One Year Extended Classroom program
XII Studying/ Pass	Intensive Contact program

Classroom Program

for Students of **Class 6th**

LITTLE GENIE: 1 YEAR

FOUNDATION PROGRAM

✓ This program raises your analytical, creative & higher-order thinking skills which inevitably increase IQ, EQ & SQ without causing undue stress.

✓ Experience fundamentals-based teaching that builds strong academic foundation required to be successful in an array of careers.

✓ This program increases awareness about your academic needs and future goals right from an early stage.

✓ This program comprehensively prepares you for your respective class in school and lays a strong foundation to excel in whichever stream you may choose after Class X.

✓ Along with Physics, Chemistry & Mathematics, Biology is also taught in this program. Mental ability is exhaustively taken up.

✓ This program lays a strong foundation for competitive exams like NTSE, IOQJS (NSEJS & IJSO), IOQM, Green Olympiad, NEET, JEE Main & JEE Advanced, etc.

Classroom Program

for Students of **Class 7th**

UDAYA: 2 YEAR

CLASSROOM PROGRAM

✓ This program raises your analytical, creative & higher-order thinking skills which inevitably increase IQ, EQ & SQ without causing undue stress.

Integrated School Programs

for Students of **Class 9th**

SUPREME: 4 YEAR

INTEGRATED SCHOOL PROGRAM

✓ These programs empower you with your best possible performance in JEE Main & JEE Advanced, thus helping you secure a seat in your dream IIT /NIT with your preferred branch.

✓ These programs raise students' IQ i.e. sharpen analytical skills & mental ability and evolve students' thinking process, intensively

training them to ace scholastic exams like IOQM, NTSE, IOQJS (NSEJS & IJSO), etc.

✓ These programs provide pattern-proof integrated studies under one roof in preparation for School, Boards & various competitive / scholastic exams.

Classroom Program

for Students of **Class 9th**

ASCENT: 4 YEAR

CLASSROOM PROGRAM

✓ These programs empower you with your best possible performance in JEE Main & JEE Advanced. thus helping you secure a seat in your dream IIT/NIT with your preferred branch.

✓ These programs raise students' IQ i.e. sharpen analytical skills & mental ability and evolve students thinking process, intensively

2021

Dhananjay Raman
Six Year Classroom Program

My name is Dhananjay Raman, and I have been studying in FIITJEE Dwarka since Class 7th. Under the guidance of FIITJEE Dwarka, I cleared JSTSE, NTSE, KVPY, INMO, INPhO, got a gold medal in IJSO 2019, became the world topper in IAO 2019, and 9th author gold medal in IChO 2021. I also got an excellent rank in JEE Advanced 2021.

FIITJEE Dwarka nurtured me from a young age and built a strong base of concepts in classes 9th and 10th, while also focusing on PCB and Social Science. Then they built up on those concepts in classes 11th and 12th, and teach everything required to crack IIT-JEE from 0-100 in a systematic way. Their excellent faculty made even the toughest concepts easy to understand.

Even during the covid pandemic and lockdown, my preparation was steady, as we swiftly switched to online classes, and later we could even come to FIITJEE to study in isolation, which was a very healthy environment for me, with a very supportive peer group too. I am thankful to FIITJEE Dwarka, and owe all my success to them. I have never been associated with Classroom Program, Distance Learning Program, or Test Series of any other Coaching Institute.

Dhananjay Raman
DHANANJAY RAMAN

Other Achievements in Various Competitive Exams

- World Topper & Gold Medalist in IAO 2019
- Gold Medalist in IJSO 2018
- Gold Medalist in IChO 2021
- KVPY Fellow | NTSE Scholar
- Qualified NSEP 2020
- Qualified INPhO 2021
- Qualified NSEC 2019 & NSEC 2020
- Qualified INCHO 2021
- Qualified RMO 2017 & RMO 2018
- Qualified NSEA 2020
- Qualified INAO 2021
- Qualified NSEIS 2017
- Qualified INJSO 2018
- Qualified INAO-Jr 2018 & INAO-Jr 2019

JEE (Main)
2019

Shubhan Srivastava
Two Year Classroom Program

My name is Shubhan Srivastava. I joined the Two Year Classroom Programme at FIITJEE Dwarka when I was in Class XI. I've cleared JEE Main 2019 examination with a perfect score of 360/360 and 100%ile and thus secured Rank 1.

Before joining FIITJEE Dwarka, I was not very serious about my studies. After joining FIITJEE however, I realised the importance of being regular in studies. The teachers at FIITJEE Dwarka are highly qualified and they taught us the concepts really well. They were always available to clear our doubts at any point of time. After a chapter was completed, we were given questions of a good level to solve. It helped recapitulate the concepts that were taught in the class.

FIITJEE Dwarka conducted weekly tests of both mains and advanced pattern. After the tests, a discussion used to be held and we would work on our weaknesses. FIITJEE immediately switched to CBT mode after the news that JEE would be held online. These tests gave me a real time experience of JEE and hence I managed to give JEE main without anxiety.

My deepest gratitude to FIITJEE Dwarka, its faculties and staff for their constant motivation and their transforming me into a student who is capable of clearing JEE with a great rank.

Shubhan Srivastava

Other Achievements in Various Competitive Exams

- Qualified RMO in 2017
- Qualified NSE in Physics 2018
- Qualified NSE in Chemistry 2018
- Qualified NSE in Astronomy 2018

Tanishq Mahesh Mandhane
Intensive
Contact Program

I am Tanishq, Mandhane.

I enrolled myself at ICP programme at FIITJEE Dwarka centre at last phase of preparation after JEE mains.

The AITS test gave me competitive JEE Adv type environment.

Grand Master package also had contribution and provided quality question.

Teachers at ICP rank enhancement are very good and developed my mind.

AITS helped me to sharpen my knowledge & enhance rank.

I would like to thank FIITJEE faculty for boosting me.

Yash Rawat
Four Year Classroom
Program + UDAYA - One
Year Classroom Program

I am Yash Rawat and I have been a student of FIITJEE since class 8th. I took admission through the Big Bang Edge Test into the One Year Classroom Programme and later Four Year Classroom Programme respectively.

Due to the immense support by the faculties as well as the comprehensive and unique teaching methodology, I was able to clear various exams such as MVPP (JSTSE), PRMO, NTSE (Stage I and II), IOQM and KVPY with an AIR-219. I was also able to secure an AIR of 550 in JEE Mains 2023.

The faculties at FIITJEE Dwarka are very dedicated and teach all the concepts from scratch upto advanced in an easy-to-learn manner. We were given various assignments and sheets that allowed us to practice revise and improve our concepts thoroughly.

I owe my success to my parents and FIITJEE including all the teachers and the entire support staff that helped me realize my academic dreams and achieve a good rank in JEE Advanced.
